Growth Group Discovery Questions Fighting the Potter

- 1) Do you really believe that every day and every moment of your life is “laid out” by God before you were born? Discuss how you think “free will” and/or the presence of evil in the world fits into this.
- 2) Taking what David says in Psalm 139:7, “I can never escape from your Spirit. I can never get away from Your presence” discuss the implications of this in your life. Has there ever been a time you felt God wasn’t there or that you felt separated from Him?
- 3) How does it feel to hear how thoroughly you’ve been designed (Ps.139:13-16)? Do you have moments of comparison or not liking who you are? What helps you work through that?

GOING DEEPER

Consider 1 Cor.12:18 “But God has carefully designed each member and placed it in the body to function as he desires.”

Take some time to get alone with God and ask Him to show you one feature of your design. Try not to judge or discount what you hear. Then, ask Him how He is working in your life right now according to your design and purpose and how you fit within the body of Christ.
