GROWTH GROUP DISCOVERY QUESTIONS
Living the Story Together
Experiencing God in Community

1. Read Acts 2:42-47. What did the early church give themselves to doing? How does that apply to us today?

2. How do we see God gathering and scattering His people? What is His purpose in this?

3. How does Acts 17:24-28 change the way we pray for people? Think about the people God has put in your life right now. How does He want you to share Jesus where He has scattered you? Pray together.
